

WOLDINGHAM PARISH COUNCIL

Eye tests and spectacles (employees only)

Woldingham Parish Council recognises its obligations under the Display Screen Equipment (DSE) Regulations 1992 (amended 2002).

Woldingham Parish Council will contribute to the cost of an eye test (up to £25) every two years for employees that use display screen equipment for a significant part of their working day on council business.

The eye test should be conducted by a suitably qualified optician.

If an eye test reveals that spectacles are required for DSE work, Woldingham Parish Council will contribute £75 towards the cost of basic spectacles.

The Parish Council will not contribute towards the cost of spectacles with any element of everyday use. The spectacles must be prescribed for DSE use.

Policy adopted 26 May 2021
